

no	product name	description
1	Face Massage Roller – Dual-Ended for Radiant Skin	Dual-Ended Design: Features two different sized cooling stone rollers – a large head for broad areas like the face and neck, and a smaller head for delicate regions such as under the eyes and around the mouth. Cooling Stone Surface: Crafted with a naturally cool stone that instantly soothes and de-puffs skin, reducing inflammation and redness. Enhanced Serum Absorption: Gently massages the skin, helping your skincare products penetrate deeper for maximum efficacy and better results. Promotes Circulation & Lymphatic Drainage: Regular use stimulates blood flow and aids in flushing out toxins, leading to a brighter, more even skin tone. Ergonomic & Silent Operation: Designed for comfortable grip and smooth, quiet rolling, ensuring a relaxing and effortless massage experience. Durable & Travel-Friendly: Made with high-quality materials for longevity and compact enough to fit into your travel kit for on-the-go skincare. Versatile Skincare Tool: Ideal for morning de-puffing to awaken the skin, and evening relaxation to unwind and prepare for restorative sleep.
2	Transparent Dome Umbrella – Windproof with Comfortable Curved Handle	Clear PVC dome canopy provides full visibility and keeps you dry Windproof metal shaft with reinforced ribs resists strong gusts High-arch dome shape offers extended coverage for full protection Lightweight design makes it easy to carry around daily Ergonomic curved handle delivers a comfortable and secure grip Manual push-button mechanism ensures quick and smooth opening

Kitchen Faucet Sprayer – 3-Function Pull Down |

3

3 Spray Functions: Easily switch between a gentle stream for daily tasks, a medium-pressure flow for sink cleaning, and a powerful high-pressure spray for tackling tough dish stains.

Water-Saving Aerator: Equipped with a built-in honeycomb foaming core that mixes water with air, this kitchen faucet sprayer reduces water consumption by up to 70% while maintaining a smooth, soft, and splash-free flow.

720° Double Rotatable Design: Featuring two independent axes, the innovative 720° rotatable faucet attachment allows you to direct water precisely, reaching every corner of your sink with ease.

Premium Durability: Crafted from high-quality Brass and ABS materials, ensuring long-lasting performance and a brilliant, new-like shine even after extensive use.

Universal Fit & Easy Installation: This universal sink attachment is designed for hassle-free setup. It can also be connected to existing pull-out faucets by simply removing the top rotating shaft.

Mini Heat Sealer – Portable Food Bag Sealing Machine

4

Airtight Freshness: Locks in flavour and prevents spoilage, keeping your food tasting delicious and extending its shelf life.

Effortless Operation: Simply glide the portable heat sealer along the edge of any plastic or Mylar bag to create a professional seal in seconds.

Eco-Friendly Solution: Reseal original packaging to reduce food waste and protect contents from dust, moisture, and bacteria.

Compact & Portable: Lightweight design makes this snack bag sealer easy to use, store, and carry, perfect for home, office, or travel.

Magnetic Base: Features a convenient magnetic strip for easy attachment to your refrigerator or other metal surfaces, keeping it always within reach.

Car Key Case – Durable
